

<b>Title of Position:</b>	<b>Contracts Manager, HRP Building Maintenance</b>
Based at:	Hampton Court/ Tower of London
Hours of work	Between 7am to 7pm (8hrs a day)
Reporting to:	Senior Commercial Manager / Head of Maintenance
Direct Report(s)	6-10 Staff
Working Relationships:	Colleagues, Clients

## About Us

Established in 1759, Sykes & Son Limited is the UK's oldest independent building contractor. Trading for over 260 years, Sykes has evolved from a small specialist contractor – a glazier, plumber, decorator, and small builder – into a medium sized, multi-discipline contractor with an annual turnover of £30m.

The company has three main workstreams: Building, Mechanical & Electrical and Maintenance. This diversity of self-delivered services allows us to offer a “one stop shop” solution to our clients. Furthermore, we have the flexibility to carry out minor works through to multi-million-pound projects.

We are incredibly proud of the part that we have played in restoring, building, refurbishing, and maintaining our capital's heritage over the years. From royal palaces to world renowned museums, galleries, and universities, we continue to forge long-term working relationships at London's finest buildings.

## Role Summary & Purpose

The Contracts Manager – HRP, will be accountable for the Management of all maintenance activities associated with the delivery of this account.

Through the effective management of a team of building trades and sub-contractors, the Contracts Manager will hold accountability for the successful delivery of the Operational P&L for this contract, ensuring customer satisfaction and contract performance measures are exceeded, and that customer relationships are developed and maintained across both Lot 1 and 2 of this account.

The role holder will ensure the profitable contract performance through P&L analysis, the development of effective customer relationships, and the efficient and compliant delivery of both planned and reactive maintenance via both internal and external resources.

The role holder will actively drive additional project work across the two deliver Lots and take the lead in costing, presenting, and delivering these with the appropriate resources.

The role holder will be accountable for the commercial delivery of this account through activity costing and presenting final accounts and closing out WIP and Debt in a proactive and timely manner.

Contracts Manager, operates as a key member of the Maintenance Management team within Sykes, providing credible and effective leadership for service delivery, employee, customer. The Contracts Manager will be the driver of safe working practices within their area of control.
